# THE COHEN COMPANY

11, 13, 15, and 17 east Broad.

They're lost who rest on Prosperity Hill. Hence, no lagging of effort here we're having a phenomenal trade. The briskness in our reward for patient study and hard work, for gathering lavishly, buying knowingly, and selling at the margin.

The combination forms a winning team to carry us on to better buying and larger selling as the days pass. The store was never more attractive, nor even as pretty. Was it? The great stocks that fill the largest of Richmond stores are more than famous for bigness--they are as famous for variety, for elegance, for adaptability to all tastes.

It's the Big Store thus grandly stated that we invite you. The following are useful help--they are a very small part of the whole. Indications are for phenomenal selling this week, for seasonableness and styles and prices combine to make it a gala shopping time.

Millinery gathers interest by a constant stream of new-trimmed beauties to begin showing Monday. The pretty things are being arranged to come in turn during the week--can't show too much at once. You tire of trying to choose. Some items--
